ECLER goes to Moritz. Let's celebrate the beginning of the weekend with some cold beers!

Moritz moves to the rhythm of ECLER

Opened in November 2011 the [Fàbrica Moritz Barcelona](#) is a multifunctional space, with 153 years of history since the foundation of this iconic Catalan brewery.

The place gathers meeting rooms, restaurant & bar, kitchen, store, bakery and of course the brewery.

We were in this awesome venue located at the center of Barcelona and we had an interview with Frederico Moscoso, Director of Fàbrica Moritz Barcelona.
